Kelli has recently launched her new book: [Martinis & Menopause—Strategies, Science and Sips that Empower Women to Beat the Hormone Groan](#). Her popular [blog](#) about women's health and well-being makes the science behind, 'Why is this happening!?' accessible and easy to understand, while offering useful, practical tips to feel better and live better!

She hosts [Martinis & Menopause soirées](#), social events held in partnerships with local businesses in cities across the US. Soirées combine a cocktail-party atmosphere with valuable, practical information. These fun, educational, women-celebrating events encourage open dialogue on women's health and wellness issues, focusing on perimenopause, menopause, and post-menopause.

***“Kelli is a dynamic speaker with a remarkable knowledge of her subject matter. She interjects humor into her presentations to capture the attention of the audience while also involving them in her interactive educational approach. Her courses are comprehensive, and attendees depart with a wealth of applicable information.”***
